PAOUL OPERATIVITY

Dear Customer,

You surely understood from the mass media what is happening in Italy because of the **Coronavirus**.

Following the additional disposition of Legislative of February 23rd 2020, n.6, concerning urgent measures for the control and management of the COVID-19 epidemiological emergency, the production activities which are not essential are suspended all over Italy.

The Production Department and all the orders are temporarily suspended.

As soon as the activity will be resumed we will promptly inform all customers.

We are sure of your understanding, let's stay #distantbutclose

F. Dostoevskij wrote that "**Beauty will save the world**" and we feel that artistic creativity is a precious gift to experiment every day!
